President's Corner

We are closing in on our DC reunion. Hope you've made your reservations. Iris and I had planned to fly into Reagan (DCA) as it's close to the hotel and they provide free shuttle service. We found out

there were more flight options to Dulles (IAD) and Baltimore (BWI) and the fares were less. But, you have to pay for shuttle service. Seems like Super Shuttle has the lion's share of the market. More ground transportation info is available from the hotel.

Your raffle tickets are enclosed with this issue of the *Breeze*. The profits from the tickets help underwrite some of the reunion related expenses. And, you get a chance to win some nice cash prizes.

We will have one board

A SPECIAL GIFT

A pastor remarked that in one of his churches he had become acquainted with a lady of great faith. She had been crippled for several years and confined to bed most of those years. He said that his church visitors and friends had often prayed for her but God did not heal her. But he did make her a blessing to those with whom she had come in contact. Everyone who

visited her came away with a stronger personal faith and confidence. This lady never complained nor questioned God for her condition. She was totally accepting of her place in life. She knew the deep love of God and fellowship with him that her suffering could not take away. For some of us this is a difficult lesson to learn. We may complain often of our place in life, our finances, or lack, thereof; our desires are often not met, or our loved-ones and

friends may seem distant at times. This can turn into a self pity-party, then into a depression, and on it goes. We must realize God's care may not always be expressed in the way we wish or expect, yet it is always there if we open our eyes and our hearts to experience it. The Psalmist said, "I will yet praise thee more." (Psalm 71:14)

New Jersey Spring Fling Report

Our Eighteenth Annual New Jersey Spring Fling, held on Saturday, April 26, 2009 at Sir John's Restaurant in North Brunswick, was a success.

Thirty-seven shipmates and their wives attended and had a good time sharing stories and reminiscing about "days of old."

Many thanks to Jack and Doris Weber for their 17 years of hosting the reunion. They have retired and have handed the job over to Bill

Radgona and Bob Nerbetski. We hope we can do as well as Jack and Doris did. We also would like to thank Jim Ribbe for his help in sending out notices to the newspapers.

Thanks to my wife Connie Nerbetski for her help and for baking a wonderful cheesecake for the occasion.

Vice President's Corner

Hi Shipmates,

Here's hoping that all's well with all of you. The recent "Spring Flings" have been held and I hope that many of you could attend one of them. We went to Ft. Wayne as usual and had a great time, although the turnout was a bit slim. Perhaps that was a sign of the times. Please don't forget the upcoming Washington, D.C. reunion this October. I have no doubt that a good time will be had by all that attend.

Many of you stay in contact with former shipmates who do not belong to the CVA-43 Associa-

tion. Please ask them to join. We want to increase membership to not only spread camaraderie amongst shipmates but also to be able to expand the scholarship program and hopefully the Sea Cadet program also.

President Mil and I have discussed the status of the Association at length and we think that we need to know what you the membership think. Therefore, we plan to have a questionnaire in the Sept., 2009 issue of *Sea Breeze*. We want to know what you like and dislike about the Association. After all, it's your Association, just the same as it's mine. We want to make positive changes moving forward. Your input as members

will be very valuable to us. Please give this some thought.

This is the issue of the "Breeze" where proposed By-Law changes are published. Please review these as they will be voted on at the business meeting at the October 2009 reunion.

Once again, all of the Association officers want this outfit to be the best that it can be. We need your help.

See ya in D.C.!

Thanks,

John

Secretary's Corner

Hello shipmates:

Hope all is well with my shipmates and their families and friends.

On a personal note, I want to announce the birth of our granddaughter, Kalyssa Mae Colwell on Monday, May 18, 2009. This event has brought great joy to our family, after losing our grandson Bentley Eugene Colwell. Congrats to all members and their families with births.

Bob Mackey is in a nursing home recovering from surgery. I am sure he

would like a call. His information is as follows: (708) 895-3255, ext. 317, RM227A. Please do not call between 0900 - 1130, as he will be in therapy.

If you are planning to attend the 31st annual National Reunion in Washington D.C., please reserve your room as soon as possible as reservations are filling up. The cut-off date is 9-8-09. My wife and I tried to reserve a room for Oct. 3, which is the weekend before the reunion and were told that the date was already booked.

Sandra and I attended the Midwest mini reunion in Ft. Wayne in April. As

usual we enjoyed our stay very much. This year even our reunion was up on the marquee in front of Don Halls! The only downside was Bob Mackey not sitting on his 'THRONE'! Get well Bob; we miss you!!!

HOPE TO SEE YOU ALL IN OCTOBER!

Thanks,

Don

Donald Colwell,
 Secretary

Wood Shop, Politics, Civil Air Patrol and a Coral Sea Tour

The year is 1955 and the Coral Sea is heading to the port of New York for a little shore time.

Prior to docking, I was summoned to the Captain's sea cabin. The first thing Capt. Gentner asked me is, "Where the hell is Goshen, N.Y.?" It just so happens that Goshen, the small town where I grew up, is located about 60 miles west of New York City.

The captain then said, "I received a radiogram from Adm. 'So 'n So' with your name from Congresswoman Catherine St. George and a

George McGinness. Are you a personal friend of the Congresswoman?" In response to his question, I said, "No, but Mr. McGinness was my wood shop teacher in high school." The captain continued by explaining that George McGinness wanted to bring a group of Civil Air Patrol members aboard when the ship was in New York. "Executive Cdr. Mehle and I have discussed this," the Captain continued, "and I want the two of you to meet now and discuss how this group visit can be made as interesting and pleasant as possible. And by the way,"

he continued, "there won't be any aircraft onboard for safety reasons."

Well, in spite of the fact that a Civil Air Patrol group toured our carrier with no aircraft aboard, we still had a great tour experience. Assisting CWO Gunner Strain as tour guide, I got to visit areas on the ship that I had never seen before. And, obviously, this experience also allowed me to meet the Captain and Exec under nice circumstances.

serve a Tactics Demo and K-9 Explosive Detection Team demo followed by a tour the 87' Patrol Boats and get to go out to sea aboard them.

The Unit Color Guard has opened the local area Little League Season and will be participating in an Opening Ceremony for the California/Hawaii Elks Lodge Convention being held in April at the Ontario Convention Center in Ontario, California.

Summer Trainings will start in June so Cadets are currently deciding what type of Advanced Trainings they want to participate in over the Summer Vacation months. The newer Cadets are currently completing requirements to attend one of the two Recruit Training "Boot Camps" being offered in California over the June/July time period.

The Coral Sea Div. Cadets have been invited back by the Coast Guard to go aboard the Costal Buoy Tender George Cobb (WLM-564) in early June where they will go out to sea and work buoy recovery in the channels.

We will be losing five Cadets from the Unit due to high school graduation, and they will be turning 18 years old. One of these is already in the delayed entry program and goes active duty Navy in August.

LCDR Shelby Gaul

Two of the Unit's Petty Officers have completed Petty Officer Leadership Academy Training over the Christmas Vacation aboard the USS Bon Homme Richard (LHD-6) out of San Diego. The Unit took a tour of the USS Ronald Reagan (CVN-76) also in San Diego and then completed their Sea

Cadet Annual Inspection for the year.

Two Cadets are at NAS Lemoore, Calif. participating in the 2009 SEAL Challenge to see if they can get their SEAL Physical Requirements signed off for additional SEAL Training. The second Drill in April will be held at Coast Guard Station Long Beach where the Cadets will ob-
